

The coordination project introduces itself

29-07-2021

Kick-off workshop

Our team: Managers

2

- Reinhard Altenhöner, Berlin State Library
- Mustafa Dogan, Göttingen State and University Library
- Alexander Geyken, Berlin-Brandenburg Academy of Sciences and Humanities
- Johannes Mangei, Herzog August Bibliothek Wolfenbüttel
- Philipp Wieder, Gesellschaft für wissenschaftliche Datenverarbeitung Göttingen

<https://ocr-d.de/en/contact#managers>

Our team: Staff

3

- Lena Hinrichsen, Herzog August Bibliothek Wolfenbüttel
- Matthias Boenig, Berlin-Brandenburg Academy of Sciences and Humanities
- Konstantin Baierer, Berlin State Library
- Clemens Neudecker, Berlin State Library
- Triet Doan, Gesellschaft für wissenschaftliche Datenverarbeitung Göttingen
- Mareen Geestmann, Göttingen State and University Library
- Paul Pestov, Göttingen State and University Library
- Michelle Weidling, Göttingen State and University Library

Our objectives

4

- Supervision and support of implementation and module projects
- Optimisation of the OCR-D software for mass digitization
- Dissemination and stabilisation
- Sustainable project documentation

WP 1: Coordination

5

- Project management
 - Key person: Lena Hinrichsen, Herzog August Bibliothek Wolfenbüttel
- Organisation of workshops
 - Key person: Lena Hinrichsen, Herzog August Bibliothek Wolfenbüttel
- Ground Truth: extension, maintenance, standardisation
 - Key person: Matthias Boenig, Berlin-Brandenburg Academy of Sciences and Humanities

WP 2: Implementation

6

- Optimisation and demand-driven further development of the OCR-D framework
 - Key persons: Konstantin Baierer & Clemens Neudecker, Berlin State Library
- Documentation and recommendation of processors and workflows
 - Key persons: Konstantin Baierer & Clemens Neudecker, Berlin State Library
- Standards and specifications
 - Key person: Matthias Boenig, Berlin-Brandenburg Academy of Sciences and Humanities
- Optimisation, operation and maintenance of the OCR-D repositories
 - Key person: Triet Doan, Gesellschaft für wissenschaftliche Datenverarbeitung Göttingen
- Establishment and provision of a training infrastructure
 - Key person: Triet Doan, Gesellschaft für wissenschaftliche Datenverarbeitung Göttingen
- Quality assurance of the OCR-D software
 - Key persons: Mareen Geestmann, Paul Pestov & Michelle Weidling, Göttingen State and University Library

WP 3: Dissemination

7

- User documentation and scientific publications
 - Key person: Lena Hinrichsen, Herzog August Bibliothek Wolfenbüttel
- Conceptual preparation of the VD full text transformation
 - Key person: Lena Hinrichsen, Herzog August Bibliothek Wolfenbüttel
- Further Development of *DFG Practical Guidelines on Digitisation*
[https://www.dfg.de/formulare/12_151/]
 - Key person: Matthias Boenig, Berlin-Brandenburg Academy of Sciences and Humanities
- Development and implementation of a maintenance and sunseting concept
 - Key persons: Mareen Geestmann, Paul Pestov & Michelle Weidling, Göttingen State and University Library
- Development of a concept for an operating and hosting infrastructure
 - Key persons: Mareen Geestmann, Paul Pestov & Michelle Weidling, Göttingen State and University Library
